6730. Transaction Reporting

(a) When and How Transactions are Reported

Each member that is a Party to a Transaction in a TRACE-Eligible Security must report the transaction. A member must report transaction information within 15 minutes

of the Time of Execution, except as otherwise provided below, or the transaction report will be “late.” The member must transmit the report to TRACE during TRACE System Hours. [the hours the TRACE system is open, which are 8:00 a.m. Eastern Time through 6:29:59 p.m. Eastern Time, unless otherwise announced by FINRA (“TRACE system hours”).] Specific trade reporting obligations during a 24-hour cycle are set forth below.

(1) Transactions Executed During TRACE System Hours

Transactions in TRACE-Eligible Securities executed on a business day at or after 8:00 a.m. Eastern Time through 6:29:59 p.m. Eastern Time (standard TRACE System Hours) must be reported within 15 minutes of the Time of Execution. If a transaction is executed on a business day less than 15 minutes before 6:30 p.m. Eastern Time, a member may report the transaction the next business day within 15 minutes after the TRACE system opens. If reporting the next business day, the member must indicate “as/of” and provide the actual transaction date.

(2) through (4) No Change.

(5) Reporting List or Fixed Offering Price Transactions and Takedown Transactions

A List or Fixed Offering Price Transaction or a Takedown Transaction that is executed on a business day at or after 12:00:00 a.m. Eastern Time through 11:59:59 p.m. Eastern Time must be reported no[t] later than T + 1 during TRACE S[s]ystem H[h]ours. If a member reports the transaction on T + 1, the member must indicate “as/of” and provide the actual transaction date. If a List or Fixed Offering Price or a Takedown Transaction is executed on a Saturday, a

Sunday or a federal or religious holiday on which the TRACE system is closed, at any time during that day (determined using Eastern Time), a member must report the next business day at any time during TRACE S[s]ystem H[h]ours. The transaction must be reported as follows: the date of execution must be the first business day (the same day the report must be made); the execution time must be “12:01:00 a.m. Eastern Time” (stated in military time as “00:01:00”); and the modifier, “special price,” must be selected. In addition, the transaction must not be designated “as/of”. When the reporting method chosen provides a “special price memo” field, the member must enter the actual date and Time of Execution in the field.

(6) Reporting Asset-Backed Securities Transactions

(A) (i) A transaction in an Asset-Backed Security executed on a business day at or after 12:00:00 a.m. Eastern Time through 5:00:00 p.m. Eastern Time must be reported the same day during TRACE System Hours, except as provided in subparagraph (A)(ii) during the pilot program.

(ii) For a pilot program which shall expire on [six months from the effective date], a transaction in an Asset-Backed Security that is executed on a business day at or after 12:00:00 a.m. Eastern Time through 11:59:59 p.m. Eastern Time must be reported no later than the next business day during TRACE System Hours, and, if the next business day, indicate “as/of” and provide the actual transaction date.

(B) Except during the pilot program as provided in subparagraph (A)(ii), if a transaction in an Asset-Backed Security is executed on:

(i) a business day after 5:00:00 p.m. Eastern Time but before the TRACE system closes, a member may report the transaction no later than the next business day at any time during TRACE System Hours, and, if the next business day, indicate “as/of” and provide the actual transaction date.

(ii) a business day at or after 6:30:00 p.m. Eastern Time through 11:59:59 p.m. Eastern Time, a member must report the transaction the next business day at any time during TRACE

System Hours, indicate “as/of” and provide the actual transaction date.

(iii) a Saturday, a Sunday, or a federal or religious holiday on which the TRACE system is closed, at any time during that day (determined using Eastern Time), a member must report the next business day at any time during TRACE System Hours. The transaction must be reported as follows: the date of execution must be the first business day (the same day the report must be made); the execution time must be “12:01:00 a.m. Eastern Time” (stated in military time as “00:01:00”); and the modifier, “special price,” must be selected. In addition, the transaction must not be designated “as/of”. When the reporting method chosen provides a “special price memo” field, the member must enter the actual date and Time of Execution in the field.

([6]7) Members have an ongoing obligation to report transaction information promptly, accurately, and completely. The member may employ an agent for the purpose of submitting transaction information. However, the primary responsibility for the timely, accurate, and complete reporting of transaction information remains the non-delegable duty of the member obligated to report the transaction.

([7]8) A member may be required to report as soon as practicable to the Market Regulation Department on a paper form, the transaction information required under Rule 6730 if electronic submission into TRACE is not possible.

Transactions that can be reported into TRACE, including transactions executed on a Saturday, a Sunday or a federal or religious holiday as provided in paragraphs (a)(4), [and paragraph] (a)(5) and (a)(6) above, and transactions that can be submitted on the trade date or on a subsequent date on an “as/of” basis, shall not be reported on a paper form.

For amortizing Asset-Backed Securities where par value is not used to determine the size (volume) of a transaction, report the original face value of such security and the Factor the member used to execute the transaction, if such Factor is not the most current Factor publically available at the Time of Execution. For Asset-Backed Securities that do not amortize, report the total par value of the transaction.

a. the transaction will settle “regular way” (i.e., T + 3 or in conformity with the uniform practices established as “good delivery” for the type of Asset-Backed Security traded); or

b. the transaction will not settle “regular way” (i.e., not T + 3 or not in conformity with the uniform practices established as “good delivery” for the type of Asset-Backed Security traded). [If a transaction is to be settled other than the regular way, report the settlement terms by selecting the appropriate modifier. If the parties agree to settlement on the same day the transaction is executed (i.e., cash settlement), select the modifier, “.c.” If a trade
